### Beneficiaries

**The Hillcrest Youth Center** provides a necessary alternative to more than 400 GLBTQ young people annually who are often homeless and succumb to drugs and prostitution to live on the streets. The center assists with housing and provides education, job training and life skills. The programs provide a safe haven free of discrimination and violence. Of the youth existing on the streets 20% are HIV+ without medical care, 15% are victims of sexual abuse in their former home and nearly 40% were kicked out of their home because of their sexual orientation.

**San Diego Leather Pride** sponsors one of the oldest continuous celebrations of the leather tribe in the country. In 1988 Michael Pereya from SD took the IML title proceeding to set the standard for titleholders worldwide. With numerous clubs and organizations, San Diego has a vibrant and engaged fetish community with strong leadership. San Diego is on the rise as the original centers of leather traditions decline.

Proclaim to Your Anus

Because I was afraid to speak,  
In the dungeon for a week.  
My master gave the ropes a tweak,  
Your Anus, Oh my lord.  
But then one day I learned a word,  
That saved my aching ass.  
The biggest leather word dismisses,  
And isn't it as gas. →♂→♀→OOOO!

Chorus:  
Super=sado=masochistic=expi=domination  
Even though the sound of it,  
Is simply adoration.

If you say it loud enough,  
You'll take my invitation.  
Better use it carefully or it,  
Could change your kink. →♂→♀→
